## Frontend / React Developer

### ABOUT ME

I'm a passionate frontend developer with over 3 years of experience keen on building end-to-end products. Want to apply and enhance my current skills and learn some new.

### WORK EXPERIENCE

#### WADS Agency

April 2020 – June 2023

Frontend / React Developer

- Designed and built great responsive UIs that consume REST APIs
- Transformed design prototypes into pixel-perfect applications with enhanced animations
- Worked on bug fixing and improving application performance
- Collaborated with cross-functional teams to accomplish the client's deadlines in an Agile environment
- Optimized React components for performance and responsiveness to ensure smooth user experiences

#### NeuroLeap Corp

November 2019 – February 2020

Frontend Developer

- Redesigned and expanded currently active websites
- Developed front-end web applications using HTML, CSS, Javascript, and React
- Ensured that the websites are optimized for various devices and screen sizes
